

Develop a high performing system to transform services and programs to prevent and end homelessness among families in Snohomish County.

Every Snohomish County family has ready access to the housing, economic opportunities, and support to lead lives of dignity and fulfillment.

vision  
mission

values  
cores

- Planning and program development will be research and data-driven.
- Data will be used for evaluation, and evaluation will be used for continuous improvement in processes and outcomes.
- Screening will be standardized across the entire system.
- The coordinated system will be family-driven and serve the entire family.
- Services will be culturally relevant and accessible to people from different cultural and language groups.
- Each family will receive services tailored to its specific needs.
- Collaboration will be strengths- and results-based and include the regular sharing of information to help families implement plans.
- Programs will be long-term, flexible, and designed to assist families until they become self-sufficient.
- The system will be flexible and open to new partners and opportunities.
- The system will be seamless for families.
- The system will be family-centered.
- The system will be guided by the voice and experience of families and providers.
- The system will be funder driven.
